Fortemente caratterizzata dal volume squadrato delle gambe, Tao introduce nell'ambiente direzionale delle emozioni e delle sensazioni eclettiche. Memoria e contemporaneità, finiture naturali e vetro, si fondono in un unico habitat di lavoro e di vita. L'ambiente è completato da mobili di servizio, sedute, lampade ed accessori ispirati ad un senso di nordica razionalità e solare calore.

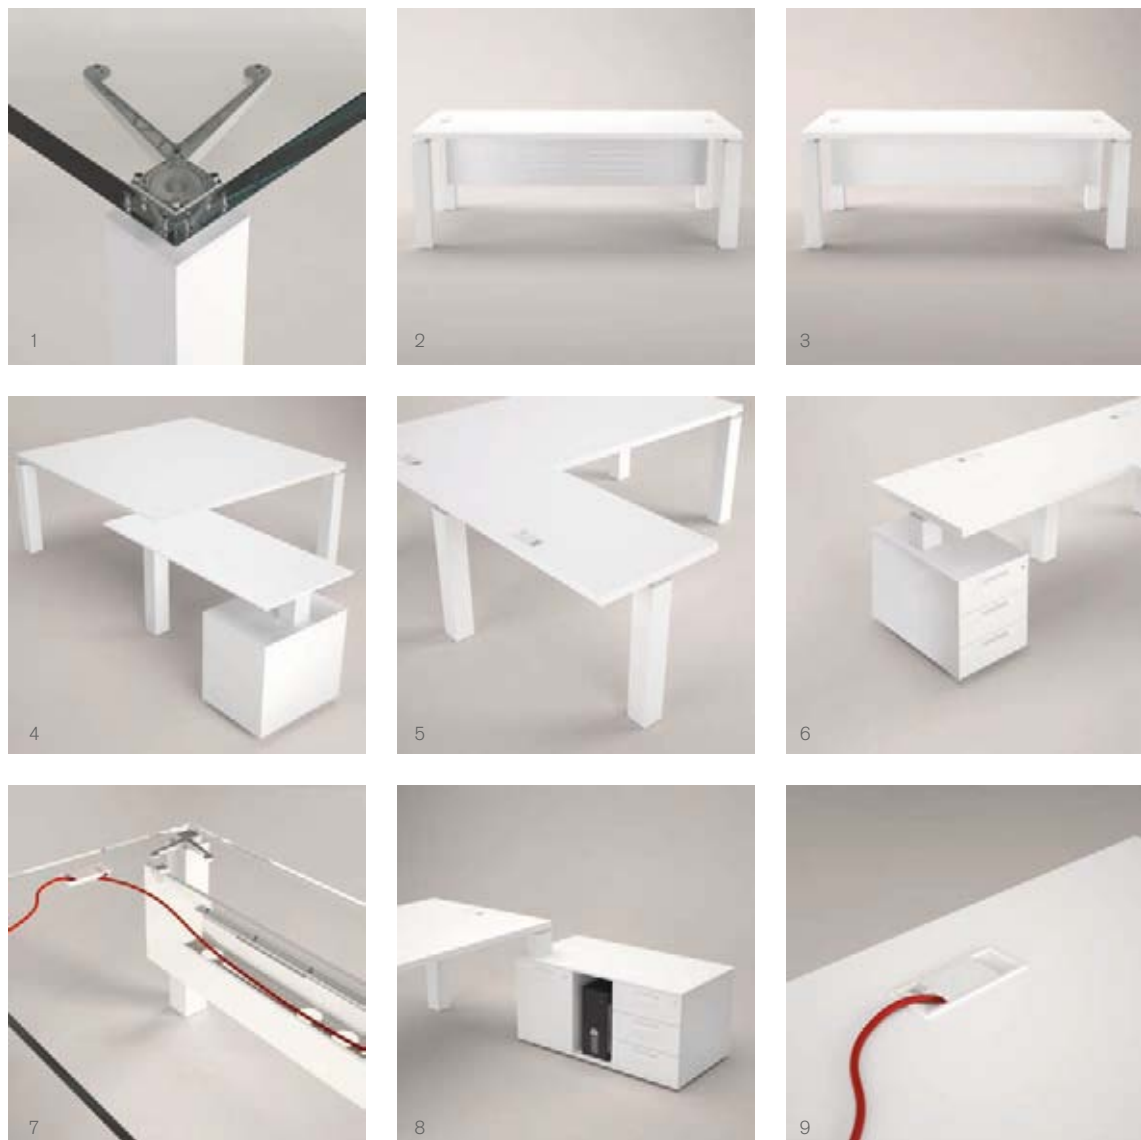

Strongly characterized by the squared volume of the legs, Tao introduces in the executive space eclectic emotions and feelings. Memory and contemporary, natural finishes and glass combine in a single work and living habitat. The space is completed by service units, chairs, lamps and accessories inspired by a sense of northern rationality and solar heat.

Fortement caractérisée par le volume carré des pieds, Tao introduit des émotions et des sensations éclectiques dans le bureau de direction. Mémoire et contemporanéité, verre et finitions naturelles se fondent dans un espace de vie et de travail. Le bureau est complété par des meubles d'appoint, des sièges, des lampes et des accessoires qui s'inspirent d'un sens de rationalité nordique et d'une chaleur solaire.

Tao, dessen besonderes Kennzeichen die kantigen Beine sind, führt Emotionen und eklektische Eindrücke im Direktionsbereich ein. Erinnerung und Modernität, natürliche Ausführungen und Glas verschmelzen zu einem einzigen Lebens- und Arbeitshabitat. Das Ambiente wird durch Arbeitsmöbel, Sitzmöbel, Leuchten Zubehör ergänzt, die von nordischer Rationalität und strahlender Wärme inspiriert sind.

Fuertemente caracterizada por el volumen cuadrado de las patas, Tao introduce en el ambiente direccional emociones y sensaciones eclécticas. Memoria y modernidad, acabados naturales y cristal, se funden en un único hábitat de trabajo y vida. El ambiente se completa con muebles auxiliares, asientos, lámparas y accesorios inspirados en un concepto de racionalidad nórdica y calidez luminosa.

Tao

Sinetica Design Lab

La gamba squadrata di Tao è una solida base sulla quale sviluppare innumerevoli soluzioni per l'ambiente riunioni, ricche di prestigio e di possibilità: dal singolo tavolo per meeting informali con collaboratori e partner, a composizioni di dimensioni importanti, ottenute accostando liberamente piani quadrati, rettangolari o terminali.

The square leg of Tao is a solid basis on which developing several solutions for many meetings places, full of prestige and opportunities: from the individual table for informal meetings with colleagues and partners, to large-size compositions, obtained by freely combining square, rectangular or terminals plans.

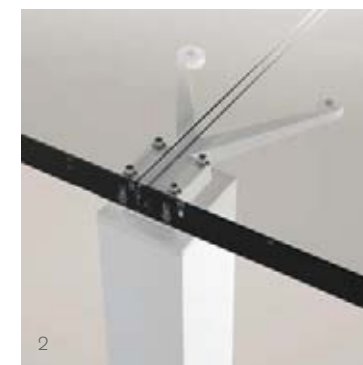

Le pied carré de Tao est une base solide pour développer de nombreuses solutions pour l'espace de réunion, riches de prestige et de possibilités: de la table simple pour les meetings informels avec les collaborateurs et les partenaires, aux compositions de grande dimension réalisées en associant librement des plans carrés, rectangulaires ou terminaux.
